

Privacy Policy

Effective Date: 2025-08-20

We respect your privacy. This page explains how we currently handle personal information.

1. Information We Collect

At this time, **we are not collecting any personal information**. Our contact and sign-up forms have been turned off.

2. Purpose of Collection

Since we are not collecting information, there is no purpose for collection right now.

3. How We Use Your Information

We are not storing or using any personal information at this time.

4. Information From the Past

If you previously sent us your details, we are no longer keeping or using that information.

5. Your Rights

Because we are not collecting information anymore, we do not hold any personal details.

6. Updates to This Policy

If we decide to start collecting information again in the future, we will update this page.
